## PAINTING THE CHALLENGE AND BEAUTY OF MARRIAGE

Marriage is difficult. It's full of contradictions: Your spouse is the love of your life but - admit it - is also a cause of stress. Arguments can spring up from anywhere and can be about the most mundane or major reasons. There's pressure to spend time together, but you also need to attend to other pressing needs around you.

In this book, Joe and Carla Bonifacio explore the tensions of marriage, why they're difficult to manage, and how valuable it is to do so. Drawing from plenty of learning, counsel, and deep pain, Joe and Carla paint an honest, relatable and beautiful picture of marriage.

Joe and Carla Bonifacio have been married for 12 years. They have two sons, Philip and Manu. Carla brings a wealth of experience from the entertainment and showbiz industry while Joe has been involved in vocational ministry for over 18 years.

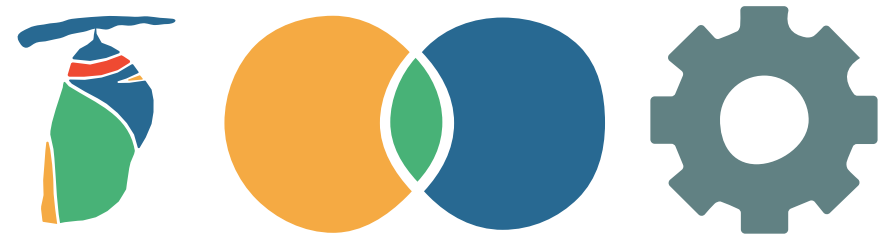

Together, they love learning, teaching, and spending precious time as a family.

well  
& wise

## ACKNOWLEDGEMENTS

We learned so much about the publishing process in writing this book, and we are grateful for everyone who contributed to make this a reality.

- Thank you, **Aaron** and **Ahira**, for the partnership with us. Ahira, you have been a wind beneath our wings. How do we fly without you? Aaron, thanks for your ability to translate concepts to images. The book cover is an art piece all on its own. Deeply blessed with your gift.
- Thank you, **Sunshine**, our editor, for your diligence and skill in clarifying our thoughts and intentions. We knew our manuscript was in excellent hands with you.
- Thank you, **Cindy**, for your inspired layout that makes the book not only a (hopefully) good read, but also a pleasure to the eyes.
- Thank you, **Marion** and **Tiffanie**, for the heart you both put into making the original vlog. It has reached hundreds of thousands and, with this book, we hope to reach and help more couples. Thanks for sowing the seed with us.
- Thank you, **Kuya Pao** and **Ate Jenn**, for all the years of investing in us and our family. Thank you for all the late-night calls and visits when we didn't know how to reconcile.
- Thank you, **Pastor Jojo** and **Miss Ida**, for listening to our story, crying with us in our pain, and walking us through

our healing. You paint a great picture of what marriage needs to be in this broken world.

- Thank you, **Chere**, for always being there for us and always believing in us.
- Thank you, **Mama Alice**, for showing us the value of building your family well.
- Thank you, **Joey** and **Marie**, our parents, for setting a beautiful and inspiring example to follow in marriage, parenting, and now, in grandparenting.
- Thank you to **our siblings** from both sides for supporting us in many ways, for the good balance of comfort during our low moments, for the reality check when we get too ideal, and for plenty of laughter in between.
- Thank you, **BJ** and **Lai**, for being our spiritual family. Whether it's wisdom, laughter, or prayers (or food), we know we can count on you.
- Thank you, **Renilda**, our helper and dear member of the family. You are a blessing from God. All our family members love you.
- Thank you, **Philip** and **Manu**, for being such a joy to be with. You inspire us to have more fun and to be better parents, better human beings, and better Christians.
- Thank you, **Jesus**, for showing what unconditional love is. We can love one another because of Your love for us.
